★ IF YOU ARE SCHEDULED FOR SURGERY ON THIS APPOINTMENT ★

PLEASE COMPLY WITH THE INSTRUCTIONS
DEPENDING UPON THE TYPE OF ANESTHESIA YOU HAVE SELECTED.

These instructions are for YOUR safety! Call our office with any questions concerning these instructions.

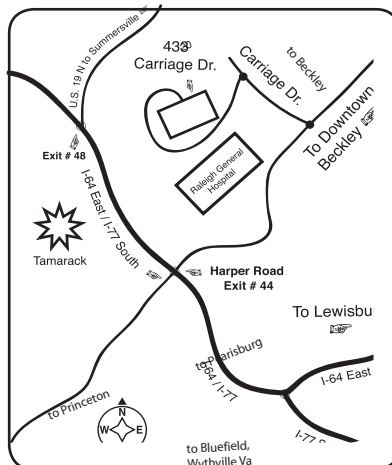

- **LOCAL ANESTHESIA:** Avoid a heavy meal prior to surgery.
- **NITROUS OXIDE (Laughing Gas):** Avoid any meals for 4 hours.
- **GENERAL ANESTHESIA:** For your safety, disregard of the following instructions may necessitate cancellation of your appointment.

1. Nothing to eat or drink after midnight or 6 to 8 hours prior to surgery, but take your home medications as directed by the doctor.

2. A responsible adult **must** stay in the office to drive you home after surgery.

3. Disclose all serious medical conditions and medications you are taking to avoid serious complications or reactions with the anesthesia or other life threatening problems.
